

Message Description

— We have heard the message all of our lives: Jesus loves you! For many of us, the very first song we ever learned was, “Jesus loves me, this I know.” We’ve all seen the *John 3:16 sign* at sporting events. But just what does it mean? What does “Jesus loves me” look like? In this message, as we continue to study Jesus’ prayer in John 17, we will see perhaps the greatest sketch of the love of Christ ever given.

What Does the Love of Christ Look Like?

I. Jesus prays for you.

II. Jesus desires your presence.

III. Jesus came and died for you.

- Extreme realities:
 - The wrath of God
 - The love of God

- Extreme reconciliation:
 - Jesus on the cross
