

The Education of Jonah – When Did Things Change – Jonah 2

FBC Nacogdoches – Sunday, November 8, 2020 – A.M. Message

Message Description

Perhaps no one has been as hardheaded as Jonah. He learned everything the hard way. But, he learned! In this series we will follow Jonah's education and see if we can learn Jonah's lessons without making Jonah's mistakes. We will learn how our spiritual growth and maturity often mirror that of Jonah's. And we will learn how our dumbest decisions, unfortunately, also mirror Jonah's.

Often there is a point in our lives, maybe just a moment in time, when our whole lives change. There is often a realization, or a decision, or a commitment, or a confession that changes our future. In this message, we will discover that point in Jonah's life. We will also see what the same point looks like in the lives of other biblical figures. Then we will learn how to embrace our own turning point.
