

I. I know about your suffering, and I know about your fears.

II. Trust me. I am in control.

III. The truth is, you are much better-off than you think.

IV. And the suffering and the fears won't last much longer.

V. And when you get here, I have something for you.

*I know about your suffering, and I know about your fears. Trust me. I am in control. The truth is, you are much better-off than you think. And the suffering and the fears won't last much longer. And when you get here, I have something for you.*
